Art and Design	Painting and mixed media- Portraits Investigating self-portraits by a range of artists, children use photographs of themselves as a starting point for developing their own unique self- portraits in mixed-media.	Craft and Design- Architecture Investigating the built environment, drawing from observation and evaluating design features of buildings. Children explore famous architecture, developing ideas to create their own individual vision for a unique space.	Drawing- I need space Developing ideas more independently, pupils consider the purpose of drawings as they investigate how imagery was used in the ‘Space race’ that began in the 1950s. They combine collage and printmaking to create a piece in their own style.
