## Mr Brooks' Proud Moments:

1. The children were a true credit to their parents and the community during our service on Tuesday. It was lovely to see how generous our families are. Thank you to Fr Terence for leading our service.
2. I loved being invited to Science lessons across the school this week. It was great to see how many opportunities our children have to complete experiments and work scientifically.
3. The wonderful writing displays that the children and staff of the school have created. It is a pleasure to see how proud the children are of their work.

**Nut Allergy—Please remember that children should not bring items containing nuts into school.**
