St Anthony of Padua Catholic Primary School

Computing Medium Term Plan – Year 2 – Spring 2 – My Online Life

Lesson	Driving Question	Activity	Assessment
1	Can you trust everyone you meet online?	1. Introduce topic and class discussion. 2. Watch video Lee and Kim's Adventure 3. Self assessment and computing vocabulary.	(DL) I can explain how other people's online identity can be different to their identity in real life. (DL) I can describe ways in which people might make themselves look different. (DL) I can give examples of issues online that might make me feel sad, worried, uncomfortable or frightened; I can give examples of how I might get help.
2	How do you use the internet to communicate?	1. Class discussion about online communication. 2. Email to a partner school. 3. Self assessment and computing vocabulary.	(DL) I can use the internet to communicate with people I don't know well (e.g. email a penpal in another school/country). (DL) I can give examples of how I might use technology to communicate with others I don't know well.
3	Do you always think before you post or comment online?	1. Class discussion sharing information online. 2. Scenario discussion. 3. Self assessment and computing vocabulary.	(DL) I can explain how information put online about me can last for a long time. (DL) I know who to talk to if I think someone has made a mistake about putting something online.
4	Do you understand the terms online bullying and the consequences of it?	1. Class discussion Online bullying. 2. Watch Kara, Winston and the Smart Crew 3. Self assessment and computing vocabulary.	(DL) I can give examples of bullying behaviour and how it could look online. (DL) I understand how bullying can make someone feel. (DL) I can talk about how someone can/would get help about being bullied online or offline.
5	Can you believe everything you read online?	1. Class discussion believing everything. 2. Watch the video Evaluating Digital Content 3. Self assessment and computing vocabulary.	(DL) I can use keywords in search engines. (DL) I can demonstrate how to navigate a simple webpage to get to information I need (e.g. home, forward, back buttons; links, tabs and sections). (DL) I can explain what voice activated searching is and how it might be used (e.g. Alexa, Google Now, Siri). (DL) I can explain the difference between things that are imaginary, 'made up' or 'make believe' and things that are 'true' or 'real'. (DL) I can explain why some information I find online may not be true.
6	How should I behave online?	1. Class discussion where technology is accessed. 2. Complete class online safety rules. 3. Self assessment and computing vocabulary.	(DL) I can explain simple guidance for using technology in different environments and settings. (DL) I can say how those rules/guides can help me.

Lesson	Driving Question	Activity	Assessment
7	How can we make our online lives secure	1. Class discussion what is a password and why do we need them? 2. Watch video Kara Winston and the Smart Crew 3. Self assessment and computing vocabulary.	(DL) I can describe how online information about me could be seen by others. (DL) I can describe and explain some rules for keeping my information private. (DL) I can explain what passwords are and can use passwords for my accounts and devices. (DL) I can explain how many devices in my home could be connected to the internet and can list some of those devices.
8	Who owns the information on the internet?	1. Class Discussion about who owns online content. 2. Self Assessment and computing vocabulary.	(DL) I can describe why other people's work belongs to them. (DL) I can recognise that content on the internet may belong to other people.
