

Click2Teach Medium Term Plan: Stage 2 Summer 2 Spanish

In this module:

This half term Stage 2 learners will be finding out all about the weather and ice creams. The children will start by learning weather phrases, then describe the weather in different seasons, and use a map of Spain to give a weather forecast.

The children will move on to look at ice cream flavours and will describe and create their perfect ice cream.

Finally, in the final lesson for Summer 2, the children will have an opportunity to use their language detective skills to experience a lesson learning another language! In Stage 2 the children will try a lesson of French.

Weather

- Learn weather phrases and seasons
- Make a weather windows chart
- Describe weather in different parts of Spain

Ice creams

- Learn names of ice cream flavours
 - Express likes and dislikes of ice cream flavours
 - Design and describe own perfect ice cream creation
- Experience a lesson in another language: French!

Learning Objective for each lesson:

- 1) I can say different weather statements in Spanish
- 2) I can describe the weather in different seasons of the year
- 3) I can say simple phrases to give a weather forecast
- 4) I can understand and name ice cream flavours
- 5) I can create and describe my favourite ice cream
- 6) I can apply my language detective skills to learn another language
