

## Click2Teach Medium Term Plan: Stage 3 Summer 1 Spanish

### In this module:

This half term is really useful for Stage 3 learners to recap lots of prior knowledge in a new context. The children will be recapping personal information as they read and create ID cards for the alien space travellers, and take part in space traveller conversations.

The children will learn the names of planets in Spanish, describe planets, and eventually go on to create and write a description of their own planet.

Through games, stories and independent tasks, they will explore the following content, topics and language:

### 1) Out of this world

- Personal information through the theme of alien space traveller ID cards
- Question and answer session – personal information
- Learn names for planets in our solar system in Spanish
- Recall prior learning from topics they have previously covered (e.g. weather)
- Read information about planets
- Create own planet with name and description of what is on their planet

### Learning Objective for each lesson:

- 1) I can understand words used on an ID card
- 2) I can ask and answer questions about someone's identity
- 3) I can name planets in Spanish
- 4) I can read and understand simple information about planets
- 5) I can recall and use familiar vocab to understand simple information about planets
- 6) I can create an imaginary planet and make a poster with information about it.

[Examples of other schools' work](#)

### Key Performance Indicators

Can understand and respond to at least four questions about personal information. Can write more than one descriptive sentence about an imaginary planet.
