

Click2Teach Medium Term Plan: Stage 2 Summer 1 Spanish

In this module:

This half term Stage 2 learners will recap body parts from Spring 2 and use this to learn phrases to describe aches and pains, then take part in a role play at the doctors.

The children will move on to learn nouns for jungle animals, and through a story will learn adjectives associated with the animals. The children will write simple descriptive sentences, then use the structure of the jungle animal story to write their own jungle explorers story.

Through stories, games, native speaker clips and independent tasks, they will explore the following content, topics and language:

I don't feel well

- Recall body part nouns
- Learn phrases for aches and pains (I have ___ ache)
- Take part in a role play at the doctors

Walking through the jungle

- Learn nouns for jungle animals
- Follow story with adjectives to describe jungle animals
- Write sentences including nouns and adjectives in correct order
- Write own version of a story about jungle animals

Learning Objective for each lesson:

- 1) I can remember parts of the body and explain why I don't feel well or what hurts
- 2) I can take part in a roleplay at the doctors
- 3) I can understand and name jungle animals in Spanish
- 4) I can understand adjectives to describe jungle animals
- 5) I can write a sentence using a noun, verb and adjectives to describe a jungle animal
- 6) I can write my own jungle explorers story

Examples of other schools' work

Key Performance Indicators

Can say at least three phrases to explain what is hurting. Can understand, say and write a simple descriptive sentence using a noun, verb and colour adjective.
