

## Click2Teach Medium Term Plan: Stage 4 Summer 2 Spanish

### In this module:

This half term, Stage 4 learners will have fun reading, understanding, adapting and performing a comedy sketch! The children will first look at and listen to the speech in the sketch, they will then practise the language, adapt the script in groups to make it their own, add drama and stage directions, rehearse and finally perform their sketch.

The children will then go on to look at a mocktail recipe and write their own recipe including ingredients and instructions. Stage 4 learners will then learn some nouns for items in the classroom and outdoors and go on their own indoor or outdoor scavenger hunt.

Throughout the unit, the children will be creating their 'Read all about it' newspaper style piece of writing which they will work on throughout the half term and take to secondary school.

Finally, in the final lesson for Summer 2, the children will have an opportunity to use their language detective skills to experience a lesson learning another language! In Stage 4 the children will try a lesson of French.

### What a waiter!

- Explore the language of the sketch
- Practise reading the script
- Add own language and stage directions
- Rehearse and perform
- Read and understand a mocktail recipe
- Write own mocktail recipe instructions
- Take part in scavenger hunt
- - Experience a lesson in another language: French!

### Learning Objective for each lesson:

- 1) I can read and understand a humorous café sketch
- 2) I can adapt a model and write a simple script in Spanish
- 3) I can take part in a performance of a café sketch in Spanish
- 4) I can understand a recipe for a mocktail and write instructions for a new one in Spanish
- 5) I can understand nouns to do with nature/the classroom and take part in a scavenger hunt
- 6) I can apply my language detective skills to learn another language

[Examples of other schools' work](#)

### Key Performance Indicators

Can recall familiar core language. Can participate in a sketch using familiar language.
